SUCCESSION PLANNING

Emergency Succession Plan Template (pages 3-4 of 9)

Succession Plan in Event of a Permanent Unplanned Change in President/CEO

A permanent change is one in which it is firmly determined that the President/CEO will not be returning to the position. The procedures and conditions should be the same as for a long-term temporary absence with one addition:

The Board of Directors will appoint a Transition and Search Committee within seven days to plan and carry out a transition to a new permanent President/CEO. The Board will also consider the need for outside consulting assistance depending on the circumstances of the transition and the board’s capacity to plan and manage the transition and search. The Transition and Search Committee will also determine the need for an Interim President/CEO, and plan for the recruitment and selection of an Interim President/CEO and/or permanent President/CEO.

Checklist for Acceptance of All Types of Emergency Succession Plans

☐ Succession plan approval. This succession plan will be approved by the Executive Committee and forwarded to the full Board of Directors for its vote and approval. This plan should be reviewed annually.

☐ Signatures. The Board Chair, the President/CEO, the deputy director or human resources administrator and the Acting President/CEO shall sign this plan, and the approproate designates designated in this plan.

☐ Organizational Charts. Prepare and attach an organizational chart reflecting staffing positions and lines of authority/reporting throughout the organization. Prepare and attach a second organizational chart that reflects how that structure will change within the context of an emergency/unplanned absence of the President/CEO (if needed).

☐ Important Organizational Information. Complete the attached Information and Contact Inventory and attach it to this document. Also attach a current list of the organization’s Board of directors.

☐ Copies. Copies of this Emergency Succession Plan along with the corresponding documentation shall be maintained by the Board Chair, the President/CEO, the Acting President/CEO Appointee, the human resources department, and the organization’s attorney (or other designated leaders).

Information and Contact Inventory for ORG NAME

Knowing where your organization’s key information is located is critical so that if an emergency succession should occur, your organization would be able to quickly continue work in the most efficient and effective way.

Am I still the leader this agency needs?

1 - My On-Going Effectiveness
   - In what ways will this agency be changing over the next five years? What skills will it take to lead those changes? Do I have them?
   - Are there new things I suspect this agency should be doing for its constituents that I just don’t have the energy or interest in taking on?
   - What level of excitement do I feel most mornings on my way to the office?
   - What new skills or better ways of doing my job have I developed over the past couple of years? Am I eager to learn and improve my skills?
   - Do I continue to be effective in building the leadership and management skills of my direct reports? What new duties or responsibilities have they taken on in the past two years?

2 - Personal Barriers to Leaving: If it became clear to me that I should consider leaving my job, what personal barriers would I encounter?
   - Can I conceive of a career move that would potentially excite and re-energize me? Or do I assume I’ll be bored and without meaning in my life?
   - Do I fear I could not get another job because of my age? Do I have the skills for a different kind of job?
   - Am I financially constrained? Do I not yet have enough set aside to retire or to work fewer hours and at a lower salary?
   - Are the professional identity and status I have in this job so critically important to me that I don’t want to give them up?
   - Am I concerned about leaving some things undone in the agency?
   - Do I believe there is no one out there who can do this job as well as I can or could do it even adequately? Would the agency go into decline without my leadership?

3 - Organizational Barriers to Leaving
   - Would staff and board resist my decision to leave? Might they even feel angry or abandoned?
   - Would I be leaving the agency in less than good shape?
   - Are some key managers under-skilled and dependent on my close guidance?
   - Is the management team unable to run the agency for a significant period of time without me?
   - Is the board up to managing a leadership transition?
   - Are there funders and major donors whose support I assume is dependent on my presence?
   - Are there key relationships held by me alone?
